"Eric Smith clearly understands the fundamentals of leadership and the quarterback position. Both of my boys had a very positive experience with Coach Smith and his Winning Edge Camp."

Doug Musgrave, former Div-1 QB (Oregon Ducks)

"Corey Mote's transition from his junior year to his senior year after working with Coach Smith is one of the biggest success stories I've witnessed in my 18 years of coaching. "

- **Chris Morris**, Head Coach, Dixon HS

"The coaching that I received from Coach Smith at his Winning Edge Academy was extremely influential in my success as a quarterback and team leader"

- **Corey Motes**, Quarterback

"As a parent and football coach I've worked with my son, Ty, since he was little. Its been a fun successful ride but eventually we found he needed the insight and expertise of a position coach. A coach that could inspire and teach. Eric's QB knowledge, communication skills and passion for the game was a perfect fit. The mechanics and confidence learned gave Ty a competitive edge that directly translated to the field. Our football team went 13-0 this season, with Ty at QB and I feel our time spent with Eric made all the difference. Thanks coach Eric, look forward to working with you this spring."

- **Bruce Farrell**, Football Coach / Parent
